## **ACMS Member Only E-mail and Fax Professional Announcement Service**

New physician in your practice? Change of address or telephone number? Looking to make an announcement about your practice to physicians? The Allegheny County Medical Society provides e-mail services to help you reach a targeted audience of physicians.

Lists can be customized by specialty, zip code, age, and practice status. The Society reserves the right to approve all messages sent by this service.

There is a base fee of \$150.00 for ready to send messages. Layout and design services are available for an additional charge.

You will be contacted with the exact cost, after we receive the completed request.

For additional information please contact  
James Ireland 412-321-5030 or [jireland@acms.org](mailto:jireland@acms.org)
