

Pittsburgh Ophthalmology Society

Diabetes Fast-Track Providers

The following physicians, members of the Pittsburgh Ophthalmology Society, have agreed to see diabetic patients within a shorter time frame than usual. In many cases, patients may be seen within a couple of days.

The physicians accept multiple insurances and you will need to verify, at the time of referral, which coverage is accepted. Physicians who do not accept Highmark or UPMC are specifically noted.

There may be instances where physicians have additional offices, however, we are unable to provide more than three office sites.

This information will be updated as determined by the addition of new physicians to the society. If you have any questions, please don't hesitate to contact the society's office at 412/321-5030.
