ACMS Honors 2024

April 18 | Heinz History Center

The Allegheny County Medical Society (ACMS) and the ACMS Foundation are excited to announce the upcoming 2nd annual ACMS Honors event. Serving as both a fundraising initiative for the ACMS Foundation and a premier networking affair, ACMS Honors brings together physician members of the Allegheny County Medical Society and key partners within the healthcare community.

This distinguished event shines a spotlight on the future of medicine by recognizing the outstanding achievements of the 2024 PAMED Top Physicians Under 40 from Allegheny County. Furthermore, it provides a platform for attendees to engage with inspiring stories from recipients of the 2024 ACMS Foundation Grants. These grant recipients will share firsthand how the support from the ACMS Foundation has propelled their organizations towards their missions.

The success of this event hinges on the generosity of sponsors like your company or organization. By supporting ACMS Honors, you not only contribute to the ACMS Foundation's vital work but also join us in our shared mission of advancing wellness and addressing social determinants and health disparities. We invite you to partner with us in making a meaningful impact on the healthcare landscape.
