Physician Leadership ▪ **Quality Program Development** ▪ **System-Level Care Delivery**

Career Impact

Nationally recognized palliative care physician dedicated to improving the quality of life for seriously ill individuals and quality of care for communities. Impactful in developing programs that promote better quality of care to rural and underserved areas through direct patient care and strategic partnering.

Leadership Experience

UPMC HEALTH PLAN – Pittsburgh, PA ▪ 6/2025-Current

Regional health insurance provider dedicated to improving health and well-being of its members within Medicare, Medicaid, and Community Health Coverage programs.

Associate Vice President, Medicare Medical Services

Responsible for driving population health initiatives through collaborating initiatives, provider & health system engagement, and driving quality and performance aligned with the Quadruple Aim in the Medicare population.

INDEPENDENCE HEALTH SYSTEM/BUTLER HEALTH SYSTEM – Butler, PA & Greensburg, PA ▪ 2016-2025

Five hospital health system with a total bed complement of 925, the System has more than 1,000 physicians and advanced practice providers and 7,300 employees. The third largest healthcare system in western Pennsylvania, serving a population base of 750,000 in a footprint spanning more than 10 counties. Progressive growth in responsibility through health system expansion/merger between two entities.

Medical Director, Palliative Care

Led specialty service line through a pandemic and navigated growth of the palliative care division during a health system merger. Grew the division with continued efforts in hospital-based and clinic-based palliative care, with notable additions of expansion to telemedicine and nursing homes.

President, Medical Staff

President of Medical Staff for Butler Memorial Hospital after serving as Treasurer from 2022-2024. Led the Medical Executive Committee and medical staff through health system policies, provider advocacy, and medical staff oversight.

Co-Director, Palliative Care

Led successful expansion of the Division of Palliative Care into the ambulatory setting. Included defining roles of the palliative care interdisciplinary team, clinic scheduling, educational efforts, and clinic operations. Grew from a 3-day per week clinic to a full 5-day per week schedule and doubled the total number of encounters per year.
